POLICY

According to the Registration Regulation (O. Reg. 596//94 Part VIII) an applicant for registration must be able to communicate effectively in English or French in a health care environment.

Where the applicant's first language is not English or French and his or her relevant health care instruction was not in English or French, the applicant must demonstrate fluency in either language.

The College of Respiratory Therapists of Ontario will accept one of the following test scores as proof of language proficiency. A copy of the applicant's score report must be submitted with the initial application for registration. The applicant is responsible for the cost of the language proficiency test.
