Install the PORTability App on your Android Device
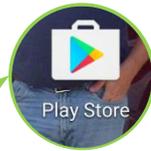

1. **Open the 'Play Store' app on your Android device and click in the search bar at the top of the screen.**

2. **Type CRTO or PORTability and press return. Select the PORTability app from the search results.**
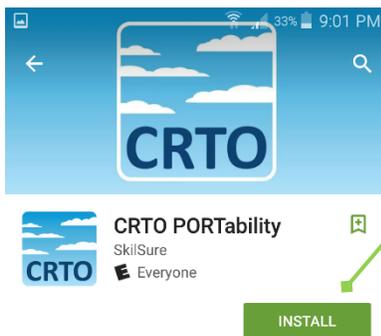

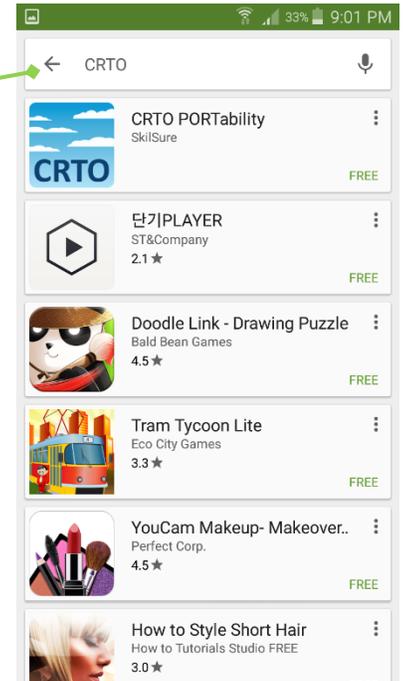

3. **Select the CRTO PORTability app, select the** INSTALL **button and follow the prompts to install the app.**

4. **During installation of the PORTability app you will be asked for permission to access specific apps on your phone that the PORTability app will need to run. Please click the** ACCEPT **button.**

OPEN
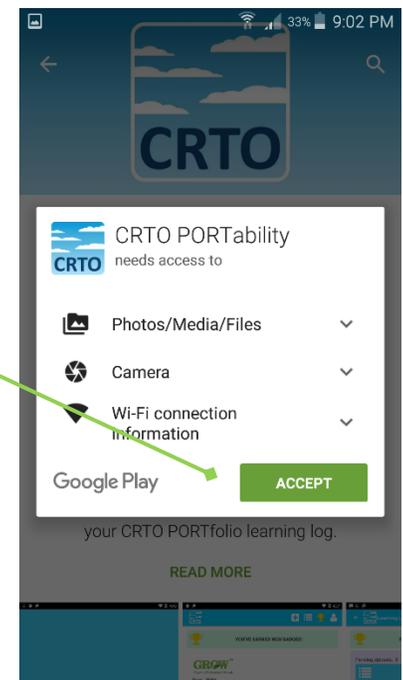

5. **After PORTability has been installed on your Android device, select the** OPEN **button to launch the app.**

NOTE: your login information is the same as for the CRTO Members Only login.
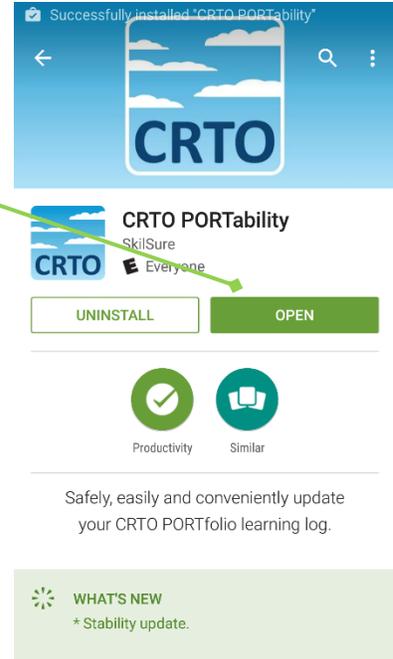

TIP:

If you are prompted with a message to complete account set-up during the installation of PORTability you can select 'Skip'. This is unrelated to the CRTO app.
