

Application for REINSTATEMENT

for Members registered with Inactive Certificates of Registration

According to the Registration Regulation (O.Reg 596/94 Part VIII) an Inactive Member may be reissued a General or Limited Certificate of Registration if the Member satisfies the Registration Committee that he or she possesses the **current** knowledge, skill and judgment needed to practise Respiratory Therapy. Inactive Members who have practised within two years immediately preceding their application for reinstatement will by policy satisfy the "currency" requirement. Inactive Members who have not practised in the past two years will be referred by the Registrar to a Registration Committee Panel for consideration. For more information, please refer to the [Inactive Certificate of Registration Policy](#).

Inactive Members are not permitted to resume practice in Ontario until after their General or Limited Certificate of Registration has been reinstated by the CRTO. It may take up to eight weeks to process the application for reinstatement.
