# THE PORTFOLIO FOR THOSE WORKING IN NON-TRADITIONAL RT ROLES

Practice FAQs

February 2019

## QUESTION

---

I need to submit my PORTfolio within the next year, but my current role is a Transplant Clinical Coordinator. Am I still able to capture my professional development in my PORTfolio even if it isn't directly RT-related?

## ANSWER

---

The newly revised CRTO PORTfolio was designed to reflect the diverse roles that RTs play within the healthcare system. Therefore, provided the professional development is related to a Member's current or anticipated RT role, then it can be included in the PORTfolio.

For more information on the CRTO PORTfolio, you may follow this link to the PORTfolio page on the [CRTO website](#). You may also contact Carole Hamp, RRT – CRTO Manager of Quality Practice at [hamp@crto.on.ca](mailto:hamp@crto.on.ca).
