

Language Proficiency Requirements

Type: Policy

Origin Date: Sept. 22, 2006

Section: RG

Approved By Council on: Dec. 14, 2022

Document Number: RG-407

Next Revision Date: Dec. 14, 2027

1.0 POLICY STATEMENT

Applicants for registration whose first language is not in English or French and whose relevant health-care education/instruction was not in English or French must demonstrate fluency in either language.

2.0 PURPOSE

This policy sets out the accepted English and French language proficiency test scores for registration with the College of Respiratory Therapists of Ontario (CRTC).

3.0 APPLICABILITY & SCOPE OF POLICY

Applicants looking to demonstrate their ability to communicate fluently in either English or French will need to submit one of the following approved test scores.

a. ACCEPTED LANGUAGE PROFICIENCY TESTS

Part b. of this section contains a list of the Language Proficiency Tests that the CRTC accepts, as well as the minimum benchmark scores that must be achieved by applicants. An applicant for registration who is required to demonstrate language proficiency must submit a copy of their test score report with their initial application for registration. The applicant is responsible for the cost of the language proficiency test.

For test results to be accepted by the CRTC, all four domains (listening, speaking, reading and writing) must have been tested in a single testing session. Overall scores alone are not accepted. Test results are valid for two (2) years from the date of the language assessment.*

*Note: Results that are valid at the point of submission with an application for registration will be considered valid for the duration of the registration process.

b. ENGLISH LANGUAGE PROFICIENCY TEST SCORES

International English Language Testing System (IELTS) Academic (AC) or General Training (GT)				
Reading	Writing	Listening	Speaking	Overall
7	7	7	7	7
