Application for INACTIVE Certificate of Registration

The purpose of the Inactive Certificate is to allow Registered Respiratory Therapists (RRTs) and Practical Respiratory Therapists (PRTs) not currently practising in Ontario to maintain their CRTC membership. For example, RRTs on parental leave or those practising outside Ontario often choose to apply for the Inactive Certificate. The inactive membership does not apply to Graduate Members of the CRTC. Members who change their membership to inactive during the registration year may be eligible for a partial refund of their annual registration fee¹.

For more information, please refer to the [Inactive Certificate of Registration Fact Sheet](#).
