PROCESS FLOW CHART ..	14

**To practice Respiratory Therapy or hold yourself out as a "Respiratory Therapist" in Ontario, you must be registered with the College of Respiratory Therapists of Ontario (CRTO)<sup>1</sup>. This includes clinical orientation, supervised work (clinical and non-clinical), and volunteer work.**

If you have not graduated from an approved Respiratory Therapy program, you must complete an assessment process to demonstrate that you have the competencies (knowledge, skills, abilities, and judgment) to provide safe, effective, and ethical care. The assessment process is based on the [National Competency Framework \(NCF\) – Part 1 Entry-to-Practice](#).

The NCF is a list of competencies considered essential for entering the practice of Respiratory Therapy in Ontario.

This guide will provide you with an overview of the registration requirements and the assessment process.

### A. ABOUT THE CRTO

The role of the CRTO is to regulate the profession of Respiratory Therapy in the public interest. This is done through setting requirements for entering the profession, establishing standards and competencies for the practice of the profession, developing a quality assurance program, and investigating concerns about Members.

1. With the exception of out-of-province Regulated Respiratory Therapists who meet the conditions under O. Reg. 199/23 Exemption-Restricted Titles, including having submitted an application for registration to the CRTO.

## B. REGISTRATION REQUIREMENTS

To obtain a Certificate of Registration with the CRTO, an applicant for registration is required to meet the following registration requirements:

### ➤ Education requirement

An applicant for registration must:

- a. Have graduated from an approved Respiratory Therapy program (a list of the approved programs is posted on the [CRTO website](#)); or
- b. **have,**
  - (i) **successfully completed a program offered outside Canada either in Respiratory Therapy or in a closely related field that is acceptable to the Registration Committee, along with any additional education that is required by the Registration Committee, and**
  - (ii) **demonstrated through an assessment process acceptable to the Registration Committee that he or she has the knowledge, skills, and judgment equivalent to those of a person who has successfully completed a program referred to in clause (a).**

**Section D** of this guide explains the CRTO assessment process.

The education requirement is non-exemptible<sup>2</sup>.

### ➤ Examination requirement

An applicant for a General Certificate of Registration must have successfully completed the [Health Professionals Testing Canada \(HPTC\)](#) (formerly, CBRC) national certification examination.

**NOTE:** Prior to completing the approved examination, an applicant may be granted a Graduate Certificate of Registration.

The examination requirement is non-exemptible<sup>2</sup>.

To be eligible to write the HPTC exam, applicants must first meet the education requirement (see above).

### ➤ Language proficiency requirement

An applicant for registration must be able to communicate effectively in English or French in a healthcare environment. Where the applicant's first language is not English or French **and** their relevant health care instruction was not in English or French, the applicant must demonstrate fluency in either language by submitting test scores of an accepted language proficiency test. For more information, see the [Language Proficiency Requirements Policy](#).

---

<sup>2</sup> Applies, with no exceptions, to all applicants for registration who do not currently hold a certificate of registration as a Respiratory Therapist in another Canadian jurisdiction.

➤ **Eligibility to work in Canada**

An applicant for registration must be a Canadian citizen or a permanent resident of Canada or be authorized under the *Immigration and Refugee Protection Act (Canada)* to engage in the practice of Respiratory Therapy. Once registered, it is the Member's responsibility to ensure they are eligible to work in Canada at all times.

➤ **Currency requirement**

An applicant for registration must meet the **two-year** currency requirement. That is, the applicant must have met the education requirement within the **two years** immediately preceding the application for registration unless the applicant was practising Respiratory Therapy within those two years. For more information, please see the [Currency Policy](#).

➤ **Conduct and Suitability to Practice**

An applicant for a certificate of registration of any class must:

1. fully disclose details of any **criminal offence** of which the applicant has been found guilty, including any offence under the *Controlled Drugs and Substances Act (Canada)* or the *Food and Drugs Act (Canada)*.
2. fully disclose details of every **professional misconduct, incompetence, incapacity**, or other similar proceedings that they are the subject of and that relate to their registration or licensure as a Respiratory Therapist in another jurisdiction, or any other profession.
3. fully disclose details of every **finding of professional misconduct, incompetence, incapacity**, or other similar findings that they previously have been the subject of while registered or licensed as a Respiratory Therapist in another jurisdiction, or any other profession.
4. In addition, the applicant must satisfy the CRTO that their past and present conduct affords reasonable grounds for belief that the applicant,
  - i. is mentally competent to practice Respiratory Therapy,
  - ii. will practice Respiratory Therapy with decency, integrity, and honesty and in accordance with the law, and
  - iii. will display an appropriately professional attitude.

All applicants<sup>3</sup> must submit the results of a Vulnerable Sector Check (VSC) as part of their application for registration with the CRTO. For more information, please see section E. 10.

Applicants who do not meet these registration requirements will be referred to the Registration Committee for consideration.

---

<sup>3</sup> Effective September 1, 2024.

## C. CLASSES OF REGISTRATION

**Graduate Class:** A Graduate Certificate of Registration may be issued to an individual who has met all registration requirements, including the education requirement of the CRTO (e.g., has successfully completed an educational program approved by the CRTO), but has not yet successfully completed the HPTC examination. This is a temporary class of registration and is automatically revoked after 18 months.

The following conditions apply to a Graduate Certificate of Registration:

The (Graduate) Member shall,

1. at the first reasonable opportunity, advise every employer of any terms, conditions and limitations that apply to the member's graduate certificate of registration if their employment is in the field of Respiratory Therapy;
2. only perform a controlled act that is authorized to the profession if it is performed under the general supervision of a member of a College within the meaning of the *Regulated Health Professions Act, 1991* who, the Member holding the graduate certificate has reasonable grounds to believe, is authorized to perform the controlled act and is competent to do so and who is available to be personally present at the site where the authorized act is performed on ten minutes notice;
3. not delegate a controlled act;
4. not perform advanced prescribed procedures below the dermis; and
5. not perform authorized act #5 "administering a prescribed substance by inhalation";

A graduate certificate is deemed to have been revoked 18 months after its initial date of issue.

**General Class:** A General Certificate of Registration may be issued to an individual who has met all registration requirements, including the education requirement of the CRTO (e.g., has successfully completed an educational program approved by the CRTO), and has successfully completed the HPTC examination.

### Labour Mobility

Under the labour mobility provisions, a person registered in a regulated Canadian jurisdiction (Alberta, Saskatchewan, Manitoba, Quebec, New Brunswick, Nova Scotia, Newfoundland and Labrador, and Prince Edward Island) may be registered in Ontario without any additional reassessment or restrictions. Individuals applying under the labour mobility provisions must complete the Application for Registration, pay all applicable fee(s) and provide all required documentation, including:

- [Registration Verification Form](#); and
- [Employment Verification Form](#).

## D. ASSESSMENT PROCESS

Applicants who have not graduated from an approved program must undergo an assessment of their education, knowledge, and skills. Assessments are conducted in English and French-language support can be provided upon written request.

Any person wishing to undertake the assessment must first submit the following:

- ✓ Online application for registration and the \$75.00 application fee (online Visa or MasterCard transaction);
- ✓ Credential evaluation report (see 2 below);
- ✓ Proof of Canadian citizenship, permanent residency status or a valid work permit;
- ✓ Proof of Language Proficiency (if applicable, for more information see the [Language Proficiency Requirements Policy](#));
- ✓ Vulnerable Sector Check;
- ✓ Employment Verification (if applicable, for more information see page 9);
- ✓ Registration Verification (if applicable, for more information see page 9).

### Stages in the assessment process:

1. **Application for Registration** – To begin the application process you will be required to complete [the online application for registration](#) and pay the \$75.00 application fee (online Visa or MasterCard transaction). The application will provide us with your contact information and give us a general idea of your education and work experience. Processing of the Application for Registration form may take up to 1 week. For detailed information about the application form see section E.
2. **Credential Evaluation and Authentication** – As part of the application process you will be required to have your academic qualifications verified by one of the following member organizations of the [Alliance of Credential Evaluation Services of Canada](#):
  - [International Credential Assessment Service of Canada \(ICAS\)](#)
  - [International Credential Evaluation Service \(ICES\)](#)
  - [World Education Services \(WES\) Canada](#)
  - [University of Toronto School of Continuing Studies](#)
  - [International Qualifications Assessment Services \(IQAS\)](#)
  - [Quebec](#)

Please ensure that the required documentation from your educational program has been submitted directly to the credential verification organization. The credential evaluation report must include a course-by-course evaluation report.

Note: you are responsible for the cost of the credential verification report and will be charged directly by them for their services.

3. **Application Review and Assessment Fee** – CRTO Staff will review your submission to ensure that it meets the requirements to proceed with the assessment. If so, you will be referred to the assessment process and will be required to submit a **\$500.00 assessment fee** which will cover the Education Review and the Interview (see below).
4. **Educational Review** – The CRTO receives applications for registration from graduates of Canadian RT programs and from applicants who have graduated outside of Canada. To be eligible for registration, all applicants must meet the education requirement. Canadian RT programs are accredited by Accreditation Canada. The accreditation process ensures that these programs prepare graduates to enter the profession with the required entry-to-practice competencies.

Our internationally trained applicants come from a variety of educational backgrounds. For example, there are wide variations in the didactic and clinical training received at different educational institutions around the world. For these reasons, the CRTO needs to review the content of each program to determine whether the program covers the entry-to-practice competencies.

As part of the education program review, you will be asked to complete the Education Program Review Worksheet and submit the form to the CRTO office together with supporting documentation. To complete this worksheet, you will need to review your curriculum and provide course reference(s) to demonstrate that each specific area was covered in the program. You may need to contact your school to obtain copies of supporting documentation (e.g., course outlines, and details of clinical placements). To do so, please use the [Document Request Form](#) posted on the CRTO website.

5. **Structured Interview** – The structured interview is used to compare applicants' knowledge, skills, and experience, acquired through both education and employment, against the competencies listed in the NCF. The interviews are administered at the CRTO office or virtually by two trained interviewers who have broad experience and expertise in the practice of Respiratory Therapy in Ontario.

The interview questions have been designed to focus on applicants' actual, real-life experiences. An example of the type of question that may be asked is as follows: "Describe a recent experience involving a specific patient when you needed to adjust the ventilator parameters to correct the arterial blood gases".

6. **Feedback** – After the interview, applicants receive summary comments on their assessment results up to that point and are then required to meet with CRTO staff to review their interim assessment report and to discuss the next steps in the assessment process. This feedback will help applicants determine their next steps (e.g., to proceed with the next phase of the assessment, or to exit or withdraw from the assessment and to consider alternatives to proceeding with the assessment).
7. **Clinical Skills Assessment (CSA)** – At this stage in the assessment process, applicants are asked to demonstrate their clinical skills in a simulated environment (i.e., a clinical environment that mimics real-world practice, for example, an operating room, or intensive care unit). The CSA consists of a series of simulated clinical scenarios, each designed to measure whether applicants can demonstrate specific clinical competencies at an entry-to-practice level. Applicants are also assessed on their communication skills, professionalism, clinical problem-solving, and health and safety.

The CSAs are conducted on an as-needed basis at a CRTO-approved simulation facility in Toronto. The CSA fee is \$5,000, and is available in English only. For detailed information about the CSA, please see the [CSA Guide](#) posted on the CRTO website.

**8. Registration Committee Referral** - Upon completion of the assessment process, the application will be referred to the Registration Committee for consideration. A Committee Panel will review a comprehensive assessment report prepared by staff. The report will incorporate the results of the educational review, structured interview, and clinical skills assessment. Following the review, the Panel may:

- Direct that a certificate of registration be issued;
- Direct that a certificate of registration be issued with terms, conditions & limitations;
- Direct that a certificate of registration be issued upon successful completion of additional training approved by the Panel;<sup>4</sup> or
- Refuse to issue a certificate of registration.

A copy of the decision will be forwarded to the applicant.

## 9. Appeals

- **Specific Assessment Results Appeals** - Applicants receive two reports during the assessment process:
  1. Interim Report – provided to applicants after both the educational review and the structured interview have been completed. The report lists the assessment results up to that point in the assessment.
  2. Clinical Skills Assessment Gap Report – provided to applicants after the Clinical Skills Assessment stage. The report lists those competency areas where applicants scored below the minimum entry-to-practice standard.

Applicants who believe that the assessment results for any portion of the process are inaccurate may request an appeal. To do so, applicants must complete and submit the [Appeal Template](#). The request for appeal must be submitted within 30 days of receipt of the Interim Report or the CSA Gap report. With the Appeal Template, applicants must include a detailed description of the issues on which the applicant is basing their appeal. In addition, the request for appeal must include the \$250.00 appeal fee. The fee is refundable if the appeal is resolved in the applicant's favour.

The requests for appeal will be reviewed by an independent appeal panel. The panel will consist of at least two subject matter experts who were not part of the applicant's assessment, and if required, CRO staff with expertise in entry-to-practice competencies for Respiratory Therapy. Applicants will be notified of the outcome of their appeal within 30 days of the appeal deadline. The Appeal Panel's decision is final. For more information regarding the appeal process, please review the [Entry-to-Practice Competency Assessment Appeal Policy](#).

- **Appeals of the Registration Committee Decisions** - If at the end of the process, the applicant disagrees with the Registration Committee's decision, they may appeal that decision to the Health Professions Appeal and Review Board (HPARB), which is an independent review Board established under the *Regulated Health Professions Act (RHPA)*.

---

<sup>4</sup> The education required to address any gaps identified during the assessment process will be determined on a case-by-case basis. For example, an individual with limited knowledge of medical gas cylinders or oxygen concentrators may be required to audit a course. For individuals with significant gaps, the only option may be the completion of an approved Respiratory Therapy program.

Information about how to submit an appeal to HPARB is provided to applicants when the Registration Committee issues its decision.

## E. APPLICATION FOR REGISTRATION

### 1. PERSONAL DATA

Please provide the personal information as requested. If you have changed your name, please indicate your previous last and/or first name(s). If the name you are applying under is different from the name on the supporting documentation, (e.g., your education, citizenship, or immigration documents), you must enclose a copy of your Change of Name Certificate, Marriage Certificate, or other evidence of legal name change.

### 2. HOME ADDRESS / CONTACT INFORMATION

Your home address and/or email address will be used for all future correspondence from the CRTO. This information is confidential and will not be shared with any sources outside the CRTO unless you have indicated that this is also your business address.

The CRTO's main method of communication with you will be via **email**, including communications that could significantly impact your registration. **You must ensure that the email address provided is your preferred email address for communications from the CRTO and that it is checked regularly and personally by you.** Once your application has been submitted, it will be your responsibility to notify the CRTO of any change in your contact information.

### 3. WORK ELIGIBILITY

To be registered with the CRTO you must be legally eligible to work in Canada. A copy of the documentation in support of your citizenship or immigration status must be submitted with your application. For example:

- Canadian Citizenship (e.g., photocopy of Canadian birth certificate, Canadian passport photo page or Canadian citizenship card)
- Permanent Resident / Landed Immigrant Status (e.g., photocopy of permanent residency card)
- Valid Work Permit (e.g., photocopy of a valid work permit indicating that you are eligible to work in Canada as a Respiratory Therapist).
- Certificate of Indian Status or Metis Citizenship Document

### 4. LANGUAGE PROFICIENCY

If your first language is not English or French, and your relevant health care education was not in English or French you will need to submit documentation to demonstrate fluency in English or French. The CRTO will accept one of the test scores listed in the [Language Proficiency Requirements Policy](#) as proof of language proficiency.

You are responsible for the cost of the language proficiency test.

## 5. RESPIRATORY THERAPY (or related) EDUCATION

List your Respiratory Therapy education, indicating the level of education, name and location of the academic institution, and the year of completion.

**Credential Evaluation and Authentication** – As part of the application process you will be required to have your academic qualifications verified by one of the following member organizations of the [Alliance of Credential Evaluation Services of Canada](#).

Please note that you are responsible for the cost of the report and will be charged directly by the credential verification company for their services. The credential evaluation report must include a course-by-course evaluation report.

## 6. OTHER POST-SECONDARY EDUCATION

List any other post-secondary education, indicating the name of the educational program, field of study, name and location of the academic institution, and the year of completion.

## 7. RESPIRATORY THERAPY EXAMINATIONS

Indicate any Respiratory Therapy examinations you have completed.

## 8. PROFESSIONAL REGISTRATION

Indicate if you are or have ever been registered/licensed to practise as a Respiratory Therapist, or in another profession(s), please list the provinces, states, and countries. Include your registration number and dates of registration. If you are applying from another Canadian jurisdiction, you may be eligible to register under labour mobility provisions (for more information see [CRTO website](#)).

If applicable, complete **Section 1** of the [Registration Verification Form](#) and mail the form to the regulatory/licensing organization for completion of **Section 2**. The form must be submitted to the CRTO directly by the appropriate regulatory/licensing body.

## 9. EMPLOYMENT PROFILE

Provide your Respiratory Therapy employment history. List the name and contact information for all your Respiratory Therapy employers. In addition, for every place of RT employment (or related field) over the past five years, please complete **Section 1** of the [Employment Verification Form](#) and mail the form to your employer(s) for completion of **Section 2**. The form must be submitted to the CRTO directly by the employer.

If you have already secured employment in Ontario, provide the relevant information. You may not practice Respiratory Therapy or hold yourself out as a "Respiratory Therapist" in Ontario until after your application for registration has been approved by the CRTO and you have been issued a certificate of registration.<sup>5</sup> This includes clinical orientation, supervised work (clinical and non-clinical), and volunteer work.

---

<sup>5</sup> With the exception of out-of-province Regulated Respiratory Therapists who meet the conditions under O. Reg. 199/23 Exemption-Restricted Title, which include having submitted an application for registration to the CRTO.

## 10. PROFESSIONAL CONDUCT AND SUITABILITY TO PRACTISE

Answer all questions related to your professional conduct and your ability to practise Respiratory Therapy. If your answer is YES to any of the questions, you MUST provide full particulars online. You must report findings even if they resulted in a discharge or pardon.

All applicants<sup>6</sup> must submit the results of a Vulnerable Sector Check (VSC) as part of their application for registration with the CRTO.

### ➔ Vulnerable Sector Check requirements:

- i. The VSC report must be dated no more than six (6) months before the date of your application for registration with the CRTO.
- ii. The VSC must be completed on all names you are currently using or have ever used (e.g., maiden names).
- iii. The names and the date of birth on the VSC report must match those listed on your application for registration with the CRTO.
- iv. VSC must be issued specifically for the purpose of registration with the CRTO.
- v. Applicants are responsible for the costs related to obtaining the VSC.

### Note to applicants from the Toronto area:

The Toronto Police Service offers online, in-person and mail-in options for VSC applications.

If you are applying online or in person, you will need to provide a unique agency code that the CRTO has been assigned by the Toronto Police. To obtain the code, please contact the CRTO at [registrationservices@crto.on.ca](mailto:registrationservices@crto.on.ca).

If you are applying by mail, please contact the CRTO at [registrationservices@crto.on.ca](mailto:registrationservices@crto.on.ca) to receive a copy of the Toronto Police application form.

For more information, please visit the Toronto Police Services [website](#).

### Note to applicants from the Ottawa and Gatineau areas:

The CRTO is aware that the Ottawa and Gatineau Police Services do not provide Level 3 (Vulnerable Sector Check) reports for registration purposes.

If you plan to request a police record check from either of these services, please apply for a Level 2 (Criminal Records and Judicial Matters Check). After submitting your application and a Level 2 Check, you will need to sign an Acknowledgement and Undertaking with the CRTO.

### Exemption Considerations:

- Applicants who do not or have not lived in Canada and who are unable to obtain a VSC are required to provide a criminal record check that is acceptable to the Registrar (e.g., an international police certificate).
- To confirm what type of criminal record check can be obtained from other countries, please visit the [Government of Canada website](#).

---

<sup>6</sup> Effective September 1, 2024

### **Submitting your VSC to the CRTO**

If you receive an electronic copy of the VSC, you are required to submit it through the online application portal. If you receive a paper copy of the VSC, you are required to mail the original copy to the CRTO's registration department.

We recommend that you keep a copy of the VSC report for your records.

## **11. DECLARATION AND AUTHORIZATION**

You must complete the declaration section as part of your application for registration. Submitting a false or misleading statement may lead to refusal to issue a certificate of registration or to the revocation of a certificate of registration.

## **12. APPLICATION FEE**

For your application to be processed you must pay the \$75.00 application fee. The fee may be paid online with a Visa or MasterCard. We do not accept cash payments. The application fee is non-refundable.

## **13. SUBMITTING YOUR APPLICATION**

When submitting your application, you must include all supporting documentation (please refer to the application checklist below) and all applicable fees. For address and contact information, see section H.

### **Supporting Documentation:**

If any of the supporting documentation issued is in a language other than English or French, we will send the documents to you to be translated. You must have these documents translated word-for-word by a certified translator. The translator will be required to send the translations and original documents back to our office. You will be responsible for the cost of the translation.

Documents submitted along with your application will be kept by the CRTO as part of your file. Please note that we do not keep original documents on file, hard copies of documents received will be scanned and kept in an electronic format.

Applicants may request records of their application file by completing and submitting a [Request for Records-Application Files Form](#). Requests for information will be determined and approved by the Registrar.

## APPLICATION CHECKLIST

Please refer to the checklist below for documentation required as part of your CRTO application.

- Online Application for Registration**
- \$75.00 application fee**  
Online Visa or Master Card transaction
- Proof of Canadian citizenship, permanent residency status or a valid work permit**

### CRTO Registration and Other Fees

Applicants approved for registration are required to submit a registration fee to complete the registration process and to receive a certificate of registration. The CRTO registration year runs from March 1 to the end of February. The initial registration fee is prorated quarterly as follows:

Registration issue date(s)	Registration Fee
Between March 1 and May 31	\$700.00
Between June 1 and August 31	\$525.00
Between September 1 and November 30	\$350.00
Between December 1 and the last day in Feb.	\$175.50

All fees are payable in Canadian funds. Payment can be made by one of the following:

- Cheque payable to the CRTO
- Money Order payable to the CRTO
- Visa / MasterCard
- Online Banking (e.g., Telebanking)

Once registered, Members of the CRTO are required to renew their registration on an annual basis. The annual registration fee is \$700. Members are required to obtain liability insurance coverage as outlined in the CRTO By-laws.

## G. CONFIDENTIALITY AND PUBLIC ACCESS TO INFORMATION

The CRTO, as the regulatory body for Respiratory Therapists in Ontario, requires applicants to provide their personal, educational, contact, employment and conduct information. This information is kept confidential. After registration, some of the information may be considered "public" and will be included in the [Register](#) on the CRTO website. This includes Members' names, business addresses and telephone numbers, as well as information regarding Members' CRTO registration status and professional conduct. For more information, please see the [Public Register Fact Sheet](#)
